Ref. № MM/OUT/212/19

**Subject: Letter of appreciation in recognition of successful contribution to Karachaganak 2019 Major Turnaround and Unit 3 Valve remedial Project**

Dear Representative of PetroValves-KIOS Company,

On behalf of Karachaganak Petroleum Operating b.v., we would like to recognize and thank you for your efforts in provision of valves maintenance services for; repairing, refurbishing, upgrading and manufacturing stem valves' and unavailable spare parts to COMPANY during Major Turnaround activities held at the Karachaganak Field in September and October 2019. All activities were executed strictly complying to work scope and agreed schedule

PetroValves' proactive support in addressing the Unit 3 Valve remedial work throughout 2019 was instrumental in ensuring this unplanned high priority process safety workscope was achieved in record time. PetroValves were an active thought partner in defining hybrid solutions for every one of the 300 valves as well as executing complex valve rebuild and refurbishment.

All activities, for both the turnaround and Unit 3 scopes, were performed to the highest quality and highest HSE standards and principles with zero incident recorded.

In conclusion, COMPANY express appreciation to MASSIMO Bindini, Management and Site personnel and recommends PetroValves as the professional and responsible valves services provider.

Regards,  
For and on behalf of COMPANY

Alison Bower  
Maintenance Manager
